IN MEMORIAM

IN LOVING memory of William Curtis Paulette, who departed this life one year ago, October 6, 1970.

When through our tears of sor-row
We see a curtain fall
And know a dearly loved one
Has gone beyond our call.

Day by day one year has passed
Since God called you away.
And day by day we miss you more
Than words can ever say.

Sometimes it's hard to under-stand
Why some things have to be,
But in His Wisdom God has planned
Beyond our power to see.
Life is hard to bear without you
It can never be the same;
All that's left are memories
And your picture in a frame.

Sadly missed by wife, children, and grandchildren. 10-7-1p

CanEating Machine In Appomattox Oct. 19

by Frank H. Sweet
Extension Agent

Reynold's Metals Corpora-tion of Richmond, in conjunction with the National Park Service and Appomattox County 4 – H Clubs, will demonstrate an aluminum recycling machine in Appomattox on Oct. 19. The ma-chine feeds on aluminum cans (beer and soft drink) and other sources of aluminum and turns out aluminum that can be reused in manufacturing processes.
4-H'ers To Collect Cans
4-H members in Appomattox County are asked to collect a-luminum cans for use with the can eating machine. These cans will be placed in a large high sided wagon located behind Ap-pomattox Intermediate School. Several pickup points have been established in the county. 4-H'ers may bring their cans to these points and place the cans in a specially marked trash bar-rell. These barrells will be em-ptied periodically and the cans brought to the wagon behind AIS. Pickup pints are as follows:
Concord –Big Horn Market
Oakville – Martin's Store
Promise Land – Campbell's Store
Rt. 460 East –Wade's Texaco and Picnic Area
Pamplin – Tolley's Esso and Liquid Fertilizer
4-H'ers are asked to pickup any aluminum cans they can find and bring them to the above lo-cations, or bring them directly to Appomattox to the main col-lection point.
Through the efforts of these 4-H'ers we will have a more beautiful county; and, in addi-tion, Reynolds Metals has offer-ed to pay the Appomattox 4-H Fund 10¢ per pound of alumi-num. These funds will be used to improve and expand 4-H Ac-tivities in the county.
